- Description: Session on Engineering Your Future: Career Pathways, Skills and Emerging Opportunities
- An inspiring career orientation session titled **"Engineering Your Future: Career Pathways, Skills and Emerging Opportunities"** was organized by the **Department of Computer Science and Engineering (Data Science & Cyber Security)** at **G H Raisoni College of Engineering and Management (GHRCEM), Pune** on **21st August 2026** in **E-322**, under the leadership of Campus Director **Dr. R. D. Kharadkar** and I/C Director **Dr. N. B. Hulle**.
- The session was conducted by distinguished experts **Ms. Nisha Verma** (Assistant Branch Manager) and **Ms. Priyancee Singh** (Team Head) from **Edwise International**. The speakers provided valuable insights into evolving global engineering career avenues, higher education strategies, and skill sets required for international academic and professional success.
- Interactive presentations guided students through mapping global education destinations, understanding international admission timelines, preparing competitive standardized profiles, and structuring impactful application credentials including **Statement of Purpose (SOP)** and **Letters of Recommendation (LOR)**.
- Key topics highlighted included global market trends, emerging tech domains, scholarship opportunities, demographic distribution of the Indian student diaspora, resume building, and essential soft skills needed to thrive in multinational environments.
- The informative session actively engaged over **120 student engineers**. The program concluded with an interactive Q&A session, followed by a formal vote of thanks delivered by Activity Coordinator **Prof. Gayatri Deshmukh** and commendations from **Dr. Deepika Ajalkar**, HOD CSE (CS & DS).
